

INTRODUCTION TO SOCIOLOGY (SS2018)

CASE STUDY ANALYSIS

Marks: 12 Weightage: 05 [2.5 + 2.5] CLO - 2 & 3

Objective: CLO 2 and 3 of sociology place emphasis on the analyses of social issues and phenomena from a sociological perspective. It also focuses on understanding the connection between individuals and society. This project is aimed to achieve the aforementioned course learning outcomes.

INSTRUCTIONS:

1. This is a team project. Students are to divide in groups of 6 each.
2. Each group will search the internet for a society relevant case/article/news/blogpost. The students will read the case and analyze it by explaining through the concepts (04 concepts) studied in the course so far. This will be submitted in the form of a write-up. **[1+4]**
3. One student from each group will come forward and present it to the class orally. At the time of presentation, make sure that your online submission has been made already. **[2+1]**
4. Submissions will be made online on GCR under the category made specifically for the submissions. The write-up needs to be submitted in PDF format with proper alignment and a cover page mentioning the topic (case study), submitted by (group members' name and roll number), submitted to, and date of submission. Write-up must not exceed 2-3 pages excluding the cover page. **[1+1+1]**
5. Sample case studies are given below. These can be utilized also for this project.
6. Last date for submission is April 30th, 2025. Late submission will incur a deduction of 1 mark per day after the deadline. **[1]**
